### Lake McGregor Memorial Park Has Many Facilities

(Contributed)

The idea of developing some sort of a park and pleasure grounds on the west side of the lake originated with the late Marquis Municipality towards the end of the 1920's. The late Dick Broderick was one of the councillors and deserves special mention for his efforts in getting the idea put into action.

A strip of land parallel with the lake shore was cultivated and a variety of trees and caraganas planted. The dry and dirty '30s intervened, with the inevitable scarcity of cash. The very necessary protection planned for this prospective windbreak in the form of a fence never materialized, with the result that each winter, the succulent leaves and stems of the young trees and caraganas provided a tasty morsel for the hungry cattle that roamed round the lake. This kept the growth of the shelter belt down to a minimum.

**ARMADA AIRMAN WINS PROMOTION**— Air Defence Command Headquarters recently announced the promotion of WO2 Charles H. Sealock to the rank of WO1, the highest non-commissioned rank in the Air Force.

WO1 Sealock first joined the Air Force in 1942 and served overseas as an Aero Engine Technician. He was released after the war but rejoined the Air Force in 1951, this time as a Diesel Mechanic. Since then he has served at RCAF Stations, Calgary, Alta.; Goose Bay, Lab.; St. Margarets, N.B.; and is presently stationed at Senneterre, P.Q.

### Vulcan Reunion At Edmonton

The home of Dr. and Mrs. Donald Carson, Edmonton, was the recent scene of a reunion of many former Vulcan residents now living in Edmonton. Dr. G. M. Carson, well known Vulcan physician for many years, was a guest at his son's home at the time and helped welcome the many guests.

Among those present were Mr. and Mrs. Jim McWha (Olive Douglass), Mr. and Mrs. Joe Majakey, Mr. and Mrs. George Davey, Mr. and Mrs. Horace Harback, Mrs. Kathleen (Croberts) Doelling, Miss Connie McFarland, Mrs. Sperry Fraser (Kathleen Homes), Mr. and Mrs. Lyle Jones, Mr. and Mrs. R. S. Frew (Goldie Middleton), Mr. and Mrs. F. K. McVeigh (Ruth Middleton).

Mr. and Mrs. Orval Doney (Beulah Walker), Mr. and Mrs.

Mervin McIntyre, Mrs. Ethel Dawson, Mrs. Marjorie Phelan, Rev. and Mrs. John S. Clarke, Mrs. Mamie McAfee, J. L. Phelan, Mr. and Mrs. Tom Dewitt, Doreen Newby (Hill), Mr. and Mrs. Hank Rich, Gordon Myers and Mrs. Ethel Myers, Mr. and Mrs. Homer Weaver (Avis Deal), Mr. and Mrs. Clarence Sage and Mr. and Mrs. Bryson Burrows.

There's good reason for the smiles on the faces of the three Champion boys above. What boy wouldn't be happy at the prospect of a trip to a Scout Jamboree at Ottawa or a holiday in the northern United States. Scouts Ernest Nowlin and James Anderson of Champion Troop to the left and right side of Queen's Scout Robert Dow, are the boys in line for the Ottawa affair while Champion's only Queen's Scout decided to forego the competition leading to the award-winning trip to the Jamboree in favor of joining his family in a trip south and east of where his Scout pals will be located.

Ernest and James tied in the point contest held during the past year sponsored by the troop Group Committee and will receive \$90 each towards expenses of the trip.

Ernest is 14-years-of-age, is a First Class Scout and is one of the four patrol leaders in the 30-member troop. He has won 19 proficiency badges, went to the Sas-

katchewan Jamboree in 1960 and has three years service in Scouting behind him.

His 13-year-old travelling companion for the eastern jaunt, Jimmy Anderson, will become a First-Class Scout June 17. He is now a patrol second and has six proficiency badges.

Queen's Scout Robert Dow is 15-years old and has been connected with Scouting for three years. This troop leader attended the Saskatchewan Jamboree last year and in 1959 took part in the Alberta Jamboree at Banff. He has nine proficiency badges.

All three boys point with pride to their Scout Master Roger Jensen and assistants Don Versluys, Bud Siler, Vernon Jordan and Tom Knight, as the driving force behind a most successful Champion troop, and to these men they give credit for the fine showing of the Champion troop in past local Camporees held by the Lake McGregor Scout District.

**JERRY PALMER OF VULCAN**, Canadian Amateur Flyweight Boxing Champion, 1961, is shown receiving the gold medallion from Major Roth, Chairman of the National Boxing Committee, Amateur Athletic Union of Canada.

Palmer won his title at the Canadian finals held this month at Drayton Valley, Alberta.

six privately owned cabins on the lake side adjacent to the sports ground, a 70-foot launching ramp hinged to extend out to a 30-inch depth of water, and a most artistic and massive gateway from the main road has just been erected within the past few days. The latter is the handiwork of the two Armstrong brothers, Lloyd and Floyd and is probably unequalled by any park entrance in Alberta.

A nine hole golf course is at present receiving its full share of support from both the old and young enthusiasts of this royal and ancient pastime.

With this splendid layout for your recreation and enjoyment, the association now appeals to every member and the public in general to co-operate to the full extent of their ability in the preservation of this valuable investment from acts of vandalism and destruction.

Notice of any such attempt should be immediately reported to the caretaker or any officer of the association. This also applies to the possession of fire arms and air rifles within the park. Your co-operation in the protection of all property within this fine park will be greatly appreciated.

### Chambers-Crabb Rites at Lethbridge

A quiet wedding of interest to the Milo and Armada districts was solemnized on Saturday, April 29, when Loreen Ann, younger daughter of Mr. and Mrs. Bruce Crabb of Milo and Ronald Wayne, son of Mr. and Mrs. Stencil Chambers of Armada, were united in marriage.

The ceremony took place at 2:00 p.m., in the Chapel of the Southminster United Church, Lethbridge with the immediate families of the bride and groom and a few friends in attendance.

Allen Chambers, brother of the groom was the best man.

The bride's ensemble was a white sheath with tones of mauve accessories. She carried a white Bible and American beauty roses.

The bride's sister, Miss Donna Crabb, was attired in an ensemble of rust and beige tones complemented by a corsage of white carnations. The mother of the bride wore a blue and white gown with white accessories, while the groom's mother chose a mauve frock, also with white accessories.

Following the ceremony a wedding dinner was served at the Marquis Hotel. After a trip to Great Falls and other points in the United States the couple will reside at the groom's father's farm at Armada.

### Federal Grant For Proposed Addition To Vulcan Hospital

The federal government has made a contribution of \$20,666 under the National Health Grants program to help finance the construction of an addition to the Vulcan Municipal Hospital, which serves a present community population of approximately 5,100.

The new addition will contain seven active treatment beds, one labor bed and seven bassinets, as well as related care facilities.

Final approval of plans for the projected \$100,000 addition and renovations to present facilities has this week been given by the provincial government and it is expected that tenders will be called in the very near future.

### CWL Asks For Used Clothing

On May 18, members of the CWL Parish Council met in the parish hall. Mrs. S. Scales, the newly elected president, presided, assisted by the secretary, Mrs. L. Shaw and director, Rev. Father Marien.

Mrs. Scales thanked those present for the honor accorded her in being chosen as president and asked their continued co-operation and meritorious sacrifice in keeping with the CWL motto, "For God and Canada."

An urgent appeal was made thru the medium of the CWL for parents wishing to adopt children, particularly older children, or to open their homes to those government wards who are in need of foster homes with conscientious Catholics.

The establishment of a clothing bank in Lethbridge was announced and a request issued for used clothing, especially men's attire and footwear. Anyone wishing to donate to this cause may leave the clothing in the church basement.

Conveners were chosen for a bake sale to be held in the Legion Hall on Saturday, May 27, from 3:00 to 5:00 p.m. A grab box sale is to be the feature of the afternoon and members will find this an opportunity to "charitably" donate their "white elephants." All donations are requested to be at the Legion by 2:00 p.m.

Bingo provided the evening's entertainment and necessitated Mrs. Scales turning over the caller's duties to Father Marien after he had won four consecutive games. Mrs. E. Emelson was winner of the keepsake draw.

Lunch was served by the hostesses Mrs. R. Brown and Mrs. V. Earl.

### THE WEATHER

Hot, dry weather with very little wind prevailed last weekend and the early part of this week, creating ideal conditions for seeding. Continued dry weather will

### Champion Leads In Little League Baseball Action

After the second week of action in the Wheatbelt Little League the results show the classy little Champion aggregation on top with six points, followed by the Vulcan Yanks with four and the remaining three teams all tied with two points each.

On May 18, Champion edged the Carmangay Little Leaguers by a close 6-5 score with Jimmy Rhodes getting credit for the win and Teskey taking the loss. B. Street of Carmangay topped the hitters with two in three at bats while Grant Wolfe hit two for four to lead the Champion attack.

At Vulcan on May 18, it was a real battle of the sluggers when the Yanks topped Mossleigh by a 30-15 score. Johnny Ray, the winning pitcher for Vulcan was also top hitter of the day when he blasted out two triples and two doubles. Craig Brown chipped in with two doubles and R. Perley a triple, also for the Vulcan cause. Tops for Mossleigh were Green with a triple, double and single and Wark with two doubles.

On Monday, May 22, the two Vulcan teams locked horns for the first time and after a ding-dong affair with the Tigers holding a fair lead for four innings, the Yanks finally forged ahead to win by a 16-11 count. Johnny Ray went most of the way to get credit for the win while Smith took the loss.

Champion collected their third win on Monday by taking Mossleigh by an 18-8 count. Jimmy Rhodes again collected the win and also again Grant Wolfe topped the hitting brigade with two for three.

In the Babe Ruth section of the league Vulcan and Milo continued their winning ways when the Vulcan boys topped Carmangay by a 9-4 score and Milo topped Champion 12-10. Both teams are tied for top spot with two wins and one tie. They are closely followed by Carmangay with two wins. Mossleigh has one victory and Champion has yet to hit the win column.

Lorne Schumacher was the winning chucker at Vulcan while Letal was the loser. Wayne Woodman led the victors at the plate with a fine double and three singles in four trips to the plate.

Mossleigh won over Champion for their first win and it was Malsey getting the win over T. Rhodes. Beagle topped the hitters with two for three.

Vulcan Funeral Home was in charge of arrangements.

Most everyone along the business streets including Mayor Lundy Findlay, pitched into the street cleaning project which tied in with last week's Clean-up.

Paint-up Week. The debris was trucked away and soon fire department hoses were washing down the pavement.

Take a good look at the above photo — you may never see the scene repeated. This street cleaning crew are town businessmen, unproven and unpaid in this line but none were fired and before they were through, great mounds of dirt and rubbish were piled in the centre of the main streets awaiting the pick-up men. That's

Jack Metcalf on the right with an unidentified young man beside him. Further back in the middle of a stroke is G. C. Collier whose suggested, "Just call us the good Samaritans." Son Albert Collier is on the end of a shovel next to him while Don Mitchell is battling a plugged culvert in the background.

### MOSSLEIGH

Seven tractors with discers and a man on each outfit moved into Jock Jolly's field on Saturday morning and finished the seeding operations for Jock. Most of these men were fellow members of the Mossleigh Lions Club. Four outfits from this district also went to help the Arrowwood club with Mrs. R. Brown's seeding.

## DOWN PAYMENT?

Many purchasers of automobiles, furniture and such, pay on the instalment plan. You can put your savings on the same instalment basis. PSP, Scotiabank's Personal Security Program is the "instalment plan" way to save for a down payment for any project needing forward planning and saving. This is how PSP—exclusive with The Bank of Nova Scotia—works: You select a savings goal (between \$100 and \$2,500) which you reach in 50 equal payments. As you save, you're life-insured for the full amount of your goal. When you reach your goal, you collect all you've saved, plus a cash bonus. PSP is the ideal way to make sure your long-range plans are realized. Ask about PSP at your nearest branch of Scotiabank.

Mr. and Mrs. Reg. Frost and daughter, Marilyn, accompanied by Miss Ruth Caufield, visited relatives in Calgary and Consort during the holiday weekend.

One troop of the Lomond Boy Scouts certainly enjoyed the long weekend. They hiked out of town five miles and set up camp. Coming home on Monday they were a tired looking group but all seemed to agree that they had a wonderful time. Matter of fact one of the boys suggested it should be a regular thing to go out on Monday and come home for the weekend. Scouters Jim Foreman and Henry Ens were in charge of the boys.

Mrs. Serina Evenson of Saskatchewan is visiting at the home of her son-in-law and daughter, Mr. and Mrs. Woodrow Hanson and family.

Deepest sympathy of their many friends in Lomond and district is extended to Mr. and Mrs. Alan Clifford and family at the news of the death of Mr. Clifford's mother in Saskatchewan last week. Mr. and Mrs. Clifford motored to Lucky Lake to be with the family.

nisfall on Sunday.

Donations for the cancer society and red cross are still being accepted but would like to get this finished by the end of the week.

### Bethany Lutheran Church

The May meeting was held at the home of Mrs. Henry Huff and was opened with the hymn, "Lord Jesus Be Present Now." Pastor Grandberg led the devotional and Bible study entitled, "How shall I pray for my family." The roll call was answered by 15 members. There were two visitors.

The usual reports were disposed of in good order. The treasurer reported that the proceeds from the tea, bake table and bazaar together with the Lions supper were nearly \$235. The members voted to donate \$50 towards the purchase of a new organ for the church, also \$100 towards a building fund for an addition to the Lutheran

Church which is sorely needed.

The next meeting will be held at the home of Mrs. K. Pedersen and the roll call to be answered with any article that you have made yourself and to be sold at the meeting.

Mrs. Phyllis Huff gave a very interesting report of her day as delegate to the Lutheran Conference, May 1, in Calgary. The meeting was closed with the hymn, "My Jesus I Love Thee," followed by "The Lord's Prayer," repeated in unison.

The hostess served a very lovely lunch with the assistance of her sister, Mrs. Evelyn Elliott, who took the place of Mrs. Vern Volesky, who was on lunch committee and was unable to be present.

### Goodwill Service Club

The Goodwill Service Club met at the home of Mrs. Louise Chapman on Thursday evening, April 27. Seventeen members and three visitors answered the roll call with an exchange of spring plants and bulbs.

It was agreed to send a \$5.00 donation to each of the Cancer and Red Cross funds. Mrs. Inez Liebrich won the nickel draw. After the business meeting Mrs. Alice

Maronda presented a very interesting numbers contest.

The next meeting will be held on May 24, at the home of Mrs. Alice Maronda. At the close of the evening meeting the hostess and her helpers served a delicious lunch.

### District Museum

The suggestion, in a recent issue of the Advocate, that action should be taken soon in collecting mementos of the pioneer days of this area has aroused the interest of quite a few readers.

The matter was brought up at a meeting of the Vulcan Lions Club last week, with the thought that the club could act as a collecting agency for such items as tools, farm equipment, household furniture, etc., that were in use fifty or more years ago when this part of Southern Alberta was homesteaded. The idea was approved and the further suggestion made that possibly the other Lions Clubs in the county, at Champion, Carmanagay, Arrowwood, Mossleigh, Milo and Lomond might also be interested in the project, either for small museums in their own districts or to add to the exhibits in a larger, central museum at Vulcan. It is anticipated that all items for exhibit would be donated, with a card attached to each article stating where and when it was used and giving the name of the donor.

The matter will be brought up for discussion at a zone meeting of Lions Clubs to be held next month and some definite plans may be forthcoming following this meeting.

## Letters to the Editor

To the Editor of The Advocate, Dear Sir:

The following letter in the Lethbridge Fish & Game Bulletin might have some bearing on the dog situation in Vulcan.

—Reader

### HUMANS MORE NUISANCE THAN DOGS

The furor over dog nuisance at present running rife in Lethbridge, with indications of spreading to North Lethbridge, need at least one voice raised on behalf of dogs — at least some dogs. There appears to be ample, on the side of humans, in this one sided controversy.

While there is no doubt dogs can be, and are at times, a public nuisance, the fault actually lies, not with the dog but his owner. From personal experience with dogs, it is my firm conviction, that the well trained dog is a habitual stay-at-home, and the ill-trained and disobedient dogs are the main offenders when nuisance is charged.

A \$50 fee for all dogs regardless, as proposed by some, would work a hardship on the conscientious owner and would be completely unfair. Heavy fines for the nuisance owner would be one thing; heavy license fees an entirely different matter.

This nuisance factor should be in proper perspective in any case. From personal experience, which I do not believe to be unique, I have yet to have a dog throw empty beer bottles on my lawn and flower beds, and cigarette empties and other unmentionable garbage, along my boulevard. I have yet to discover my lawn sprinkler has been stolen, flowers stolen, on occasion plants for that matter, by any dog or any number of dogs. I have yet to see a dog break a window and then run away or pound on my front door with rocks for kicks to see me run after them.

Never yet have I seen fruit trees damaged, or the fruit stolen, half eaten then discarded, by a

### CARD OF THANKS

We wish to express our sincere thanks to our relatives, neighbors, friends, W.A. and the Lions Club for the many ways they helped in arranging for our sale. We are truly grateful. 42-x

Mrs. Neila E. Laing, Carleton Place.

I wish to thank Dr. Koziol, Miss Sissons, the nurses and staff of the hospital for the fine care given me while I was a patient there. Also thank you to my friends who sent me cards and gifts and visited me. It was very much appreciated. 42-x  
— Mrs. Beatrice McIntyre, Vulcan.

We wish to thank Dr. Koziol, Dr. Almond, Miss Sissons and the nursing staff for the care they gave Barbara during her stay in the hospital. Also her Brownie teachers and friends, school teacher and school friends for their gifts, cards and best wishes and to many others. Thanking you. — Pete and Eileen Schuler and family. 42-x

dog. Neither have I ever been awakened at any hour with a careening hot rod burning rubber on two wheels and been convinced that there was a dog at the wheel. Relative to, yes, but no dog.

Going a bit farther afield, anyone can prove this point for themselves. A trip to any lake or creek-side will show you the real nuisance factor that rancher and farmer are suffering from, each and every year.

As guests on a rancher's or farmer's property, and that is what we are when we picnic or camp, we throw bottles, cans and refuse with complete abandon, with no thought of the result to the owner's livestock or personal feelings. The appearance of NO TRESPASSING signs, now becoming more familiar, bear this out. Unless we learn to clean up, there will be more.

Let us attack this clean up picture with the same zeal we seem to be able to whip up over one small fraction of it — the dogs.

## 4-H Club Notes

### Vulcan West-Ensign 4-H Calf Club

The Vulcan West-Ensign 4-H Calf Club held a regular meeting on May 6, at the Ensign Community Hall. Three talks were given, one by Ken Rozanders on "Breeds of Beef Cattle," Richard McNiven on "Judging Beef Cattle," and Brian Scobie, "Giving reason in a judging class."

Entry in the local parades was discussed. There was another discussion on shirts and it was decided to wear the same colors as in previous years.

The Berrywater Club invited the Vulcan West-Ensign 4-H Calf Club to a ball tournament and sports day at Lake McGregor Park on June 3. The June meeting will be held on June 2, at 7:00 p.m. at the Billy Lucas farm.

### Mossleigh 4-H Girls' Sewing Club

The Mossleigh 4-H Girls' Sewing Club held their annual achievement program on May 10, and in spite of the muddy roads, a good crowd was present to view the exhibits and hear the girls. There were only ten girls in the club this year, four second year and six first year.

The program opened with the club report given by Patti Gillespie. Marlene Bertschy presented each girl with a silver spoon for completing the project. Karen Brooks played an accordion solo, followed by a talk on the "Care of the Body," by Verna Samaroden. Lois Washburn and Irene Shatebott gave a very interesting demonstration on "Preparing Material for Sewing." With Janet Leslie at the piano, the girls sang a few merry tunes, then Marlene Bertschy and Lana Scott gave a demonstration on "Accessories." Dora Campbell sang a solo, followed by Dora and Lorna Hurl who gave a short demonstration on "Wardrobe Plan." A discussion followed on the Thermomatic Display.

To close the program Verna Samaroden played an accordion solo. While the second year girls were getting ready for the modelling, Mrs. F. MacDonald led in a sing-song. Mrs. W. Campbell was commentator for the modelling and Janet played soft music in the background. Marlene Bertschy and Lois Washburn had the best project books.

After the judges remarks, a dainty lunch was served by the girls. Congratulations were extended to the leaders, Mrs. Bob Bertschy, Mrs. W. Campbell and Mrs. R. Leslie on their effort.

### Lomond 4-H Calf Club—

On Monday, May 8, at 8:00 p.m., the Lomond 4-H Club held their meeting in the Lomond Community Hall. Nearly all the members were present. Business was very short.

Ed Noad of High River was a guest speaker. He spoke on the showing of calves, also dressing one for show and the ways to present a calf for showmanship. Mr. Noad had two films, one on the Hereford Show at Toronto last fall and one on the Hereford Heritage. These films were very well liked by both members and the adults who were present.

Edward Howell operated the projector and was a great help to the club entertainment. Mr. Noad was accompanied to Lomond by his wife and daughter.

### RAMBLER ALFALFA

Rambler alfalfa has proven its superiority over other alfalfa varieties during the last five years, says D. H. Heinrichs, of the Experimental Farm, Swift Current, Saskatchewan. In the dry area of south-western Saskatchewan it has shown no signs of winter killing when other common varieties, Grimm and Ladak, have killed out to the extent of over 50 percent in many tests. In mixtures with grass, Rambler has persisted much better than other varieties and its yields have been higher, he reports. He suggests that increased use of this new alfalfa variety "can do a lot toward increasing the feed supplies on the Canadian prairies."

Mrs. Vilas Teskey honored Miss Faye Lang with a birthday party on the occasion of her 12th birthday. Mrs. Marion Hoffman and several of the little girl friends were present. Games were played. The highlight of the afternoon was a beautifully decorated candle cake. It seemed to be a very exciting day for Faye, being her first birthday party in Carmangay since coming from China about a year ago.

Carl Whittle of Bow Island was a visitor at the home of Mr. and Mrs. G. H. Nelson on his way home to Penticton, B.C.

Donna Stettner of Lethbridge was a weekend guest at the home of Mr. Ed Stettner.

The Hospital Auxiliary held their annual Hospital Day tea at the Grange Hotel on Saturday, May 13. The Auxiliary greatly appreciated the community support. Mrs. Ethel Collier won the raffle.

During a recent cribbage game between Vilas Teskey and Sid Thompson, Mr. Teskey had the experience of holding a rare hand. He held a 29 hand consisting of three fives and the jack of diamonds. In the cut the five of diamonds was turned up.

Ruth Dakin of Vancouver, B.C., visited at the home of Mr. and Mrs. Anne Dahl recently.

Mrs. Arne Dahl was a patient in the Municipal Hospital, Lethbridge last week.

An afternoon tea was held at the home of Mrs. Alice Winnes when friends and neighbors gathered to wish her a very successful and happy married life. Mrs. Alex McMillan presented her with a gift from her friends.

Mrs. W. H. Miller of Lethbridge spent Mother's Day with Mrs. Helen Anderson.

Mrs. C. A. Johnston of Abbotsford, B.C., is spending a couple of months visiting with her son-in-law and daughter, Mr. and Mrs. Walt Middleton.
